

AUDITOR'S PROFILE

Name: MS. RUNGNAPA LERTSUWANKUL

Age: 49 years

Nationality: Thai

Highest Educational Background:

Master of Business Administration from Thammasat University.

Work Experience:

Khun Rungnapa joined Ernst & Young Office Limited in 1982, after a short time with another international accounting firm. She has been a partner here for a number of years, serving clients in a varied range of industries, while building up particular specialisation in the finance and securities, real estate, and hotel industries. She has extensive experience with the audit and due diligence of SET-listed, or listing, companies, and with audit work to IAS standards.

No. of Shareholding in the Company (%): none

Record of illegal action: none

AUDITOR'S PROFILE

Name: MR. SOPHON PERMSIRIVALLOP

Age: 54 years

Nationality: Thai

Highest Educational Background:

Master of Management degree from Sasin, a joint academic institute of Chulalongkorn University

Work Experience:

In over 30 years with Ernst & Young Office Limited's Audit Department as an audit partner, Khun Sophon has served clients wide range of fields, and has extensive experience with hotel and property businesses, manufacturing and trading companies. He has built up an impressive portfolio of experience in the insurance industry, covering both audit and due diligence work, as well as special assignments. Most of his recent work has been for larger companies, and he currently serves a very significant number of SET-listed and multinational clients

No. of Shareholding in the Company (%): none

Record of illegal action: none

AUDITOR'S PROFILE

Name: MS. SUMALEE REEWARABANDITH

Age: 49 years

Nationality: Thai

Highest Educational Background:

Bachelor degree of Accounting from Chiang Mai University and a postgraduate diploma in Auditing at Thammasat University

Work Experience:

Khun Sumalee joined Ernst & Young Office Limited in 1983 and has gained experience serving a number of different businesses, including 9 SET listed companies. While developing expertise in the mutual fund management, hotel, hospital, and transportation fields, the industry in which she has gained the most specialised knowledge is manufacturing, a field in which she has over 20 years' experience.

Khun Sumalee broadened her range of knowledge through a period in our Management Consultancy Services Department (now ORM) where she worked on the design of accounting systems and internal controls, and she has conducted specialised tax reviews for clients in a number of different industries. She has also been involved in other special exercises, including the preparation of loan data for the Financial Restructuring Authority's core assets bidding in 1998.

No. of Shareholding in the Company (%): none
