Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Laguna Resorts & Hotels Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Laguna Resorts & Hotels Public Company Limited and its subsidiaries as at 30 September 2012, the related consolidated statements of income and comprehensive income for three-month and nine-month periods ended 30 September 2012 and 2011, and the related consolidated statements of the changes in shareholders' equity and cash flows for the nine-month periods ended 30 September 2012 and 2011, as well as the condensed notes to the consolidated financial statements, and have also reviewed the separate financial information of Laguna Resorts & Hotels Public Company Limited for the same periods. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my reviews.

Scope of review

I conducted my reviews in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

Statements of financial position as at 31 December 2011 and 1 January 2011 for comparative purposes

I have previously audited the consolidated financial statements of Laguna Resorts & Hotels Public Company Limited and its subsidiaries and the separate financial statements of Laguna Resorts & Hotels Public Company Limited for the year ended 31 December 2011 in accordance with auditing standards, and expressed an unqualified opinion on those statements under my report dated 13 February 2012 and drew attention regarding the changes in the Company's accounting policies. The consolidated and separate statements of financial position as at 31 December 2011 and 1 January 2011, as presented herein for comparative purposes, respectively formed an integral part of those financial statements and are the brought forward balances of those financial statements. As described in Note 22 to the financial statements, during the current period, the Company has reclassified items in the financial statements as at 31 December 2011 and 1 January 2011 presented herein for comparative purposes. In my opinion, the reclassifications are appropriately presented.
